

MyDecision is a cost-savings solution focused on providing our clients and members with the best cost and quality of care available. HealthSmart chooses select providers using our S.M.A.R.T standards, giving us the ability to achieve the most effective care at the most efficient cost.

Select specialty providers in our region based on quality and experience ensuring your clients receive effective care at an efficient cost.

Medically appropriate care that fits the patient's needs without performing unnecessary surgeries and procedures.

Accessible providers and priority status given to our clients resulting in shorter wait times when seeking care.

Reputable, well respected and distinguished providers with a proven track record of providing excellent patient care.

Transparent providers give our clients confidence and peace of mind knowing they are getting the most affordable, high quality care without any hidden fees.
