PERMIT

OKLAHOMA STATE DEPARTMENT OF HEALTH
OKLAHOMA CITY 5, OKLAHOMA

Date September 13, 1949

The City of Dell City, Oklahoma, having complied with the requirements of the law is hereby granted permission to construct a sanitary sewer extension to the plant to serve Dell City, Oklahoma,

- subject to the following provisions
- 1) That provisions be made to facilitate the operation of two aerations at one time leaving the third idle.
 - 2) That the digester be provided with an adequate overflow pipe to protect the digester cover.
 - 3) That construction of this project will be started within one year, otherwise the project will have to be revised again.
 - 4) That this office will be notified approximately 10 days prior to completion of the plant so that a final inspection can be made by an engineer from this office before final payment is made to the contractor.
 - 5) That the State Department of Health will be furnished, upon request, a copy of laboratory reports on the material used in construction, reports to be made by a recognized laboratory.
